

77mm Widespan

(Widespan Residential/Commercial)

Precision roll formed roller shutter profile made from high quality aluminium alloy. Foam filled for additional strength, security and a smooth silent operation. Suitable for widespan roller shutters and garage doors with special roll-tight design.

- High quality painted finish.
- Smooth and curved face.
- Rolls smaller than traditional steel roller doors.
- Range of colours.
- Double coated + lacquer for abrasion resistant finish.
